Cable guys

I was getting Virgin installed by two young men who made my pussy tingle at the thought of being left alone with them.

Ian's eyes kept straying to look at my legs, and I noticed my skirt had ridden up to reveal my stockings. I decided to give him a better view. I parted my legs slightly and Ian got an eyeful.

With my heart pounding, I spread my legs wider and pulled my skirt up invitingly. I felt his breath between my legs, and the probing of his tongue as it traced my cunt through my flimsy panties.

Seizing the opportunity to finally get my hands on a young cock, I slid off the stool and released Ian's throbbing manhood.

After happily munching on his salty pre-cum, I guided his thick cock to the entrance of my soaking pussy. I eased myself down onto him, savouring his girth. My well lubricated cunt stretched to new limits and I started to ride him hard.

Then I felt a pair of hands caressing my bum cheeks. It was Ian's work-mate, and as one cock spurted inside me, it was replaced by another stiff one.

As the second stud fucked me from behind, his hands played with my dangling breasts. I took Ian's cock into my mouth and sucked him back to hardness. I felt like a slut being fucked at both ends!

It ended with me drenched in jizz. Think I'll need three cocks next time!
Donna, Kent.

In the mood

We met Sara and Darren at the pub one afternoon – a neutral place. We'd met through *Escort* contact mail, you see.

We went back to their house to have a couple more drinks and Darren suggested looking through some of their photo albums (of the erotic kind) on their luxury leather settee in the living room.

This soon got both of us in the mood to take things further and in a matter of minutes Katie and Sara were kissing and fondling each other's bodies.

Darren and myself watched with utter delight as Katie's hand delved inside Sara's sweater and began stroking her breasts. Sara obviously liked the feeling as she returned the favour and started to unbutton Katie's blouse.

Within minutes both girls were on the floor, and so were their bras. As soon as Sara's breasts were exposed Katie's mouth went straight down to suck on her nipples, and her hands slid up Sara's short skirt.

Katie soon had Sara's skirt and knickers down. We watched as Katie's fingers

KATIE, LUTON

worked teasingly around Sara's moist pussy lips and clitoris. This made Sara moan with delight and Katie soon had her mouth down where her fingers were.

Sara was wearing stockings and suspenders and this really turned Katie on as this is one of her favourite items of sexy lingerie and never fails to get her wet.

While Katie was busy licking Sara's pussy we thought we'd help. So Darren pulled Katie's skirt and undies off and started licking her from behind. I went round to suck on Sara's tits, with one of my hands fondling Katie's boobs.

Sara undid my zip and got my aching cock out. Her hand moved up and down my erect cock before she led it to her mouth. She took it in and slid it in and out between her red lips. I could see Katie watching and hoped she liked what she saw.

Then Darren quickly took all his clothes off and knelt down behind Katie, parting her pierced pussy lips with his fingers and slowly entered her with his hard erection.

Katie was now getting carried away with the moment and inserted three fingers into Sara. With a muffled moan Sara orgasmed, as Katie had been licking her faster and faster in between fingering her.

Now that Katie had brought Sara off she turned her attention to Darren who was still fucking her, sending wonderful feelings all over her body. They momentarily stopped to change position with Katie straddling Darren.

This is one of her favourite positions, allowing Darren's penis to reach her G-spot. I pulled my cock out of Sara's mouth and guided myself between her waiting legs. My cock slid easily into her warm wet cunt and I started to fuck her gently on the settee.

This was made twice as arousing because we could both watch Darren and Katie fucking next to us on the floor. After about ten minutes of this I could no longer hold back and, with Sara's pussy lips contracting and her back arching, I shot my hot spunk deep into her pussy.

After a few more strokes and Sara's nails sunk into my back as she came for a second time. We lay there and watched as Katie shuddered and groaned with ecstasy.

She had obviously just climaxed. She carried on riding Darren and within seconds he gasped as he came. Katie slid off Darren with a big smile on her face and gave him a passionate kiss to say thank you.

Well, he deserved it – she had cum loads and the afternoon wasn't over yet. We will write and tell you more next month!

Peter, Luton

FAWNA

All applicants for secretarial jobs at Paul Raymond undergo a rigorous selection procedure that makes The Apprentice look like a cycling proficiency test. Of course not. There are just two questions. "Can you make a cup of tea?" and "Do you mind taking your clothes off?" Applicants don't even have to be able to answer the phone (just try ringing us to see that's true). Fawna's a natural – phone ringing off the hook, clothes everywhere, pussy on our desk. She has to work on her tea making skills though.

SEX WITH ALL THE STRINGS

Sex is much more satisfying when you add sound. But not all of Daisy's housemates appreciate her carnal arpeggio

Hit the right spot and sex with me will not be a quiet affair. I find it very difficult to bite my tongue while Mr Boyfriend is nibbling my neck, thighs or pussy, or teasing me with his cock. It's even been shown in a recent study that sex is better and you orgasm harder when you vocalise your pleasure. The problem is that we live in a house-share and it seems our three fellow homies have heard enough.

I've come to this conclusion, because after one especially vocal session that involved a heavy duty hog-tie set, numerous vibrators and nipple clamps, once the waves of orgasm had subsided and I'd been released by Mr B, I slipped on my dressing gown and headed to the bathroom only to come face to face with our three housemates.

Pulling the gown a little tighter around my otherwise naked body and trying to smooth down my dishevelled hair, thinking 'they won't realise what we were up to', it soon became apparent there was no way to hide what we'd been up to. There was certainly not a look of satisfaction on their faces.

Ooh yeah, that's my middle C

Apparently a line had been crossed. "I'm trying to do some work," said one of them. "Background sex noise while on the phone to parents isn't cool," explained another. The third, JV, just looked disapproving and shook his head. Silent disappointment is always the worst. Naturally, I apologised profusely.

There was a time when our sex noise became in house banter: "Who *hasn't* heard Daisy having sex?" they'd joke, or they'd work out how many floors up they had to go before they stop hearing me. (Answer: the third floor bathroom, but extractor fan must be turned on.) Mr Boyfriend even reached legend status as they wondered what he was doing to me to provoke such wails of pure pleasure. Maybe it was time for them to find out.

In a moment of pure impulsiveness I blurted, "Do you want to watch? Well, you've heard the audio, why not see the full show?"

"Oh, for fuck's sake, Daisy," and with a roll of their eyes, two of them walked away, not taking it as a serious offer. JV however stayed, much to my surprise. Looking me straight in the eye, he said, "Go on, then." What the fuck?! Not expected, but as he said it I felt my pussy pulse in anticipation. Well, the reason I was so loud was because I'm a bit of an exhibitionist, so inviting someone in to watch only fuelled my fantasies.

JV followed me in to my room. Mr B was lying naked on the bed. Explaining what had happened, surprise, followed by a naughty smile, spread across Mr B's face.

He told JV to sit on the chair at the end of the bed and quickly outlined the rules: he wasn't to touch or join in, but he could touch himself. When it was over he was to leave the room and not breathe a word to the other housemates.

Ordering me on to all fours, Mr B took hold of his cock, knelt behind me and inched his way in. There was a nod of approval from JV. As we started a rhythm, I saw JV undo his fly and slip his hand inside to cover his hardening cock. After that, it was like JV wasn't even there as Mr B fucked me every which way and I didn't hold back on the noise. Judging from the moans I heard escape JV's lips now and then, it was clear he was fast understanding why it was so hard for me to be silent.

We finished up with Mr B fingering my pussy and him cumming in my mouth. Looking over, JV had already shot his load. Since then, JV has tried to keep the peace as best he can. Perhaps a return invite isn't totally out of the question.

Mucky meat-up

Thanks to your Contact section (I appeared in vol 33 no 12), I've been texting and talking to a lad from Yorkshire. Gary is ten years younger than me!

My hubby and I met him for the first time this summer, in a pub that joined onto a hotel between Yorkshire and Brum.

Gary had already told me how he would like me to dress. So I wore black hold-ups, a black thong, a very short mini skirt, a pale blue shirt with no bra and very high black stilettos.

I texted him while we waited in the bar. He came up to us and said he had looked for a horny woman and spotted me instantly.

Gary put his hand on my leg and I sat closer, so we were touching. Then he moved his hands up my leg to my stocking top. I opened my legs slightly so that he knew I was OK with it.

He had the biggest hands I've ever seen and all I could think of, was where they would be later on.

My hubby left us alone and went outside for a cigarette. Gary leant towards me and kissed me. His hand was well up my skirt by then. I was getting very moist!

When my hubby came back we left the bar. I went into the room first to get ready for them. Five minutes later they both came in. Gary came straight over and started kissing me, pressing his rock-hard cock against me.

My hubby got us drinks while we stood in the middle of the room snogging. Then Gary lifted my shirt off and let it drop to the floor.

He led me to the bed and laid me down. He kissed his way down my neck to my nipples, which stood out hard and erect waiting for him to lap his tongue around.

He licked up and down my arse crack, just moving my thong to one side. It was very horny. He paid a lot of attention to my arsehole: it felt wonderful.

Then I got him to lie down and kissed all the way down his chest to his boxers. Then I unleashed his big hard member. My husband is quite big but this was a monster!

I knelt between his legs and starting licking his lovely knob and letting my mouth slide up and down his cock, all the time looking up at him. I licked his balls all the way down to his arsehole and flicked my tongue around his hole.

Letting my tits rub all over his cock and balls. I took his cock between my tits and the juices off his knob made it so easy to slide up and down.

He said, "You dirty fuck, do you want me to cum?" I said, "Yes, cum all over my face."

I wanked and sucked him then he let me have it all over my face and hair.

My hubby was watching from the chair and said "You horny bitch, you're covered!"

After a short break, he pulled me onto him, and then flung me over. I lifted my arse up high for him. He licked it up and down again and then pushed one of his big fingers up my arsehole, while still licking my crack. He fucked my arse with his finger until I

cried out with pleasure.

Then my hubby said we should change the game. He took off all his clothes and his cock was stiffer than I had ever seen it before.

I knelt down between them both: first I sucked on Gary then I turned and sucked my husband and started switching between them both.

They both started to grab my hair as they took it in turns to push their cocks into my mouth. It was so hot pleasing two men at the same time.

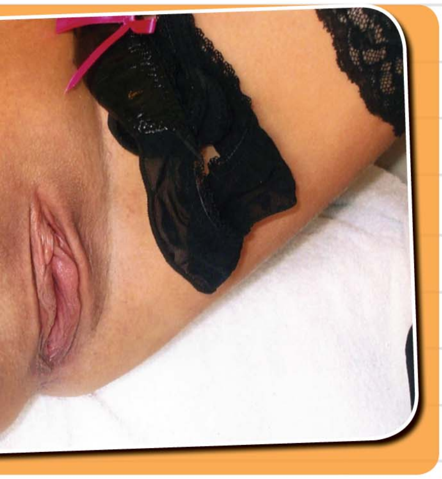
I then held a cock in each hand and took them both into my mouth at the same time, letting them rub around my cheeks.

Gary then bent me over, licking my arse again and pushing his tongue right in my arsehole.

Pushing me downwards so I was on my hands and knees, I raised my arse up for him. Holding onto my hips he rubbed his big dick up and down my crack.

Standing in front of me, my hubby pushed his cock into my mouth, holding the back of my head.

I started to beg for one of them to finish me off. Gary pushed me onto the bed and raising my legs up high let his big hard member enter my dripping wet pussy.



It was so big I cried out and he slammed into me hard and fast making me cum quickly. Then he let me have it, spurting his lovely hot creamy spunk right up me, as I called out, "Oh yes, yes!"

I was crazy with excitement by this time, as they had made me wait for some good hard cock. But boy was it worth it! His lovely cum was all over my fanny and dripping down my legs.

We are still texting and hope to meet again soon.

Donna, Birmingham.

KAT

Mega-boobed Kat can't play pool for toffee, puts balls down pockets when she thinks you're not looking and dangles her boobs in your face when you're trying to take a shot. But we still let her win – after all, winner stays on, and no-one wanted this cue-humping exhibition match to end. "I wiped the floor with you!" she guffawed. Well, the floor certainly needed wiping after this little performance!

Lascivious Lilly offers up her body to the camera the same way she presents her privates to her husband's mates – willingly, with a great deal of charm and in high spirits. TRUE BLUE

Dark desires in the shadow room

Real stories from the secret world of UK sex. Paul and Flirt are the directors of Xtasia, one of the largest swinging clubs in the UK. Surrounded by sex and rampant hedonism all night, can there be a downside?

It's getting on for 1am and the evening is in full swing. All around us, as Flirt and I stand by the bar, there are couples chatting, kissing and fucking on sofas, getting off to the action taking place on the big cinema screen. The orgy about to unfold has been spurred on by the live feed from our camera room. Pictures of one hot woman lying back on the big bed in the room below, pleasuring herself and the anonymous cocks that keep popping through the glory holes is certainly getting the audience's pulses racing.

Taking in the scene, I spot the woman's other half. At the front of the audience with his eyes glued to the screen, it's easy to tell how much he's enjoying seeing his partner pleasure her pussy and all of the cocks that are offered to her. Just eight months after taking over Xtasia it's such a relief to see it getting off to a good start. Singles, couples, young and old swingers are indulging in all the pleasures our hedonistic theatre has to offer.

Flirt and I purchased Xtasia back in June 2012. Having been interested in the swinging scene for most of our adult lives and hosting a small-scale monthly swing event at a hotel in Blackpool, we came to the conclusion that doing it on a bigger scale was definitely the way forward. We are now the proud owners of one of the longest established swingers clubs in the UK, Xtasia, located in West Bromwich in the Midlands.

Having visited in its heyday 15 years ago, we had fond memories of the big parties that used to take place here. Being one of only two swingers' clubs in the Midlands and easily the largest with a capacity of 600, it was difficult to get a space on the loungers as naked bodies writhed together. If you managed to find a space it wouldn't be long before people started to climb over the sofas eager to join in. The massive orgies that took place were beautiful, sexy and safe. Now we'd taken over and the pressure was on to carve out the club's future.

The camera room was just one of the ideas we dreamt up to push people's boundaries and hopefully play on their fantasies. Introducing a grope box (a personal favourite of mine and Flirt's), a fully lockable closed-off room, rooms with one-way mirrors and a shadow room that shows silhouetted bodies, we've created a corridor of debauchery that becomes more and risqué the further you travel down it. There's something to suit whatever your confidence level or preference. The glory hole camera room is the final door – the most daring, but definitely the most fun! Call it the last taboo in swinging.

The biggest perk for Flirt and me is the social side. Usually, the majority of our evening will involve playing the hosts, introducing couples and making sure everyone enjoys themselves and are not just standing in doorways looking lost. Avoiding silly games like 'lick the nipple of the third person to the right', we prefer people to chat, talk to each other and it hopefully leads to an invitation for more. After all, that's what we're all here for! If you think someone's hot, go and strike up a conversation with them.

The clientèle ranges from single men and women to couples that have been swinging for years and those that are only just dipping their toes into the scene. With the age ranging from 18 all the way up to 70, swinging really is for everyone.

You know it's been a good evening or event when guest after guest leaves and thanks you for an amazing, sexually liberated and fun night! A job well done in my opinion.

We still have loads of plans. We're building a dogging area. Carting cars, public benches and even trees up to our converted loft we're recreating a fantasy scene that a lot of swingers enjoy indulging in, only ours is safe and secure and you're not going to get arrested! Imagine sitting on one of the benches when a hot couple come along, flash the headlights of the car and a guy starts fucking his girl on the bonnet while you're invited to watch or even join in.

Is there a downside to the job? None that we've come across!

LICKETY SLIT!

SAPPHY + ELICIA

There are two things that girls like to do when there are no blokes in the room. Talk about how rubbish men are and, leading on naturally from the preceding topic, start lezzing off with a can of spray cream. There are no exceptions to this rule, readers, so pay careful attention when leaving your girlfriend and her mates to watch The Valleys while you go on the piss – either hide your cans of Anchor Extra Thick or hide yourself in the wardrobe for the show of your life. We did the latter...

CANDY

As her name suggests, sweet Candy (26) loves chocolate, but prefers the taste of spunk. "I guess you could say I'm a cockaholic. All day long I dream about dick, slding my lips around thick shafts, wanking them off between my big boobs and swallowing big creamy loads. I bet yours tastes nice too!"

Spice of Wife

Swinging saved my sex life! It's an unusual situation, and I wouldn't recommend it as a solution for anyone else, but for my husband Mark and me, it has worked.

We've been married for five years, and in the last year or so, my sex drive has gone through the roof! We used to do it a couple of times a week, but we were down to maybe once a week, and I got the impression that was more than Mark really wanted any more, and that he was just doing it for me.

As we are still very much in love, and have a strong relationship, I spoke to him about it, and he admitted that he just didn't feel horny that often any more.

He said that just watching some tits on telly would be enough for him now, and this got me thinking.

If watching would be enough for him, how would he like to watch me with someone else? Well, I plucked up courage to talk to Mark about it, and after a couple of months I finally did. He was very understanding about my need for sex, but he was dead set against me going with another man – we've both been faithful all these years, and he didn't want another man to intrude on that. Of course I understood that – I even expected it!

I was surprised two weeks later when Mark came to me and said, "Helen, I've been thinking about what you said. I'd quite like to see you with another woman!" I was shocked! I'd had a few fantasies about trying it with another woman before, but actually doing it?

It took me a while, but I kept thinking about it, and eventually I decided I'd like to give it a go!

Mark and I spoke again and ended up advertising on a couple of internet swinger sites for another couple just like us – a woman for me to be with, and her partner to watch, just like Mark. We didn't think we'd get anyone, but we did!

Jed and Suzie contacted us – it turned out they were very similar to us in many ways, so we arranged to meet up in a pub near their home, and if we hit it off we'd go back to their place. Well, we met up as planned and we all got along like a house on fire. The main difference between Jed and Mark was that Jed loved to see his wife get poked by all and sundry, and used it to turn him on and then fuck her.

We went back to their place and Jed hid himself in a cupboard to watch and Mark sat out on the landing to spy on Suzie and me in the bedroom.

I wasn't sure how to begin, but Suzie took the upper hand and kissed me then began to undress me. Soon we were both naked. It felt so different to feel a smooth female form pressed against me!

She wasn't shy about licking my cunt – again much different to how a man would do it. We got into a 69 so I could lick her too. My first taste of minge was

amazing! I took to slurping on cunt like a duck to water! It was great and when Suzie produced a dildo and inserted it into me I was cumming in minutes!

I tongued and finger-fucked her to an orgasm – I was proud of myself that I'd made her cum! I almost forgot that Mark and Jed were watching us.

Suzie produced a strap-on from her collection of sex toys, put it on and asked me what position I wanted it in. I got onto all fours, and pointed to my pussy – doggy has always been my favourite fuck position!

She slid the plastic prick into me. It felt cool. Then she started to fuck me with it, gently at first, but getting harder and harder until she was banging me furiously! I used one hand to fiddle with my clit. I was getting off again. My first lezzie experience and it was great! Better yet, both our men were watching us. I finally came as she rammed the strap-on relentlessly into my hole and I collapsed.

I took a few minutes to recover before donning the strap-on and giving her a go with it. I fucked her as best I could, inexpertly at first, but I soon got the hang of it and was sliding its full length in and out of her soaking wet cunt.

She came, quivering on the fake cock. We were both exhausted. I knew she would have to fuck her husband later too.

Mark was very pleased on the drive home and suggested that we do it again soon, so we've set up another date with Jed and Suzie, and are also looking for more couples willing to entertain our particular tastes.

Jessica, Surbiton.

Secret sex

JAYNE, WORCESTER

Here's a little bit about myself. I'm 28 and work in a solicitor's office. Okay, that's the boring bit over with. More importantly, I'm sex mad and love taking risks when it comes to sex.

I was out with my friend Kitty, a gorgeous 36-year-old married lady. We were at the pub eyeing up the lads, when the conversation turned to fit girls.

Kitty then asked me if I could keep a secret and of course I said I could. She told me she'd slept with the barmaid. I admit I was a little surprised at this revelation.

Things went a bit quiet for a moment and she asked if it was a problem that she was bisexual. I told her I had no problem, as I myself had had one or two experiences with women.

So then the conversation really progressed, and out came another secret. Kitty told me she and her husband Alan had discussed having a threesome with me, but weren't sure of my preferences.

I was starting to feel wet and my clit was twitching. Kitty leaned over and put one hand on my knee. "Alan's at home. Fancy it?" she asked.

I thought for a moment of what it would be like fucking Alan and Kitty. I agreed, because Alan is quite hot too. Kitty phoned home to check it out, then gave me the nod.

We arrived at her home and Alan was sitting in the lounge with a cheeky grin on his face. Kitty brought some drinks and sat next to me.

HE LAY AT MY SIDE, SUCKING MY NIPPLES

Then she began to kiss me, running her hands over my tits. Alan was sitting in his chair stroking his cock, watching his wife and her friend getting it on.

Kitty then smiled at Alan and asked if he'd like me to suck his cock. I knelt down in front of him and took his swollen head into my mouth.

Kitty got behind me, lifted my skirt, pulled down my knickers and started to finger-fuck me. Alan then suggested we move to the bedroom, which we did.

I sat on the edge of the bed and watched Kitty strip. When we were all naked, Kitty pushed me back on the bed and started to lick my pussy. Her tongue felt hot and made my body tingle.

Alan lay at my side stroking my tits, licking and sucking my nipples. We then decided to give Alan some treatment. We laid him on his back and Kitty sat on his face. I sat on his hard throbbing cock.

It wasn't that long but was really thick, and the way it felt inside my wet pussy was something I'll never forget. Kitty and I then switched places. Alan's hands were all over my arse and tits, touching every part of my body.

He was licking my clit hard and fast, and within a few minutes I came like thunder. The inside of my pussy was pounding, and I just had to have his cock in it.

He got in behind me while Kitty lay in front of me with her legs wide open and her dripping pussy crying out for my tongue. Alan gave out a great moan as he entered me, but he was not moaning as loudly as I was.

I was so excited and turned on, and I ate Kitty's pussy till she came again and again. Alan's moans were getting faster and louder until with a grunt, he came hard.

I have secret sex with them regularly now! It's great! *Jayne, Worcester.*

Showing off

My bloke Mark would never want me screwing around on him, but he likes to show other men what he goes home to at night.

He never tells me to cover up – quite the opposite.

Recently, we decided to have a bit of fun. This bloke Warren, who Mark knows through his business – a bit of a pain in the arse to be honest – was calling round to make a sales pitch, so we decided to wind him up.

We let him settle on the couch with a drink, then after a couple of minutes I walked through in my dressing gown. Mark introduced us and, as I shook Warren's hand, I accidentally-on-purpose let my tit fall out. Mark made some sarky remark about how it might be nice if I wore some clothes when we had company.

As agreed, I went right into bunny boiler mode, and said I'd wear anything I liked in my own house, including nothing. And with that I shrugged off the robe, leaving myself completely naked, except for a little gold ankle chain.

Warren's jaw dropped, but I let him have a good look before stomping off back to the bedroom. He tried to excuse himself, obviously not keen to get involved in a domestic, but Mark told him if I wanted to make an exhibition of myself, he might as well hang around and enjoy it.

"Here we go," Mark said, as I walked in naked, holding a vibrator. "This is going to be fucking spectacular." One look at the big tent in his trousers told me that, but Warren was looking everywhere but there! Now he'd accepted he was in this surreal situation he seemed happy enough to get an eyeful of me.

I got on one of the chairs, flinging my legs east and west over the arms. "What now?" I said to Mark. "Have I accidentally flashed a bit of pussy?" Understatement of the year – Warren had a great view up my snatch, which was starting to juice up nicely.

I started to frig it, plunging my fingers in and out and using the other hand on my clit. I could see Warren was dying to ask me to use my vibrator, so I did. The chair was big enough that I could lie right back, feet on the arm rests and arse right on the edge.

Then I held the toy up in the air before stuffing every inch of it that I could take into my hole. This wasn't just for show – as I fingered my clit again, I could feel myself get close to cumming.

Then, with it deep inside me, I orgasmed, moaning out loud and writhing around against the leather seat.

I let myself go floppy, savouring every moment of our little set-up as I recovered. Then I got up, threw the vibrator on the floor and stormed back off to the bedroom.

Mark dashed after me, mostly so Warren wouldn't see him trying not to laugh. And the last thing I heard from him before Mark shut the door on us was, "Mind if I use your bathroom before I leave?" I can guess what he needed to do in there!

I half-tore off Mark's trousers to get at his cock, the two of us were so fired up. He was as hard as I've ever seen him, and he threw me back on the bed so he could bang his swollen monster into my gushing pussy. I came again, just as the spunk blew out of his cock and we didn't stop all night…

Jill, Northants.

ANNA

We're useless at Do It Yourself, unless it means wanking ourselves silly in the bathroom while the wife does a Frank Spencer trying to put up some bookshelves. We'd prefer it if Anna was the one to burst our pipes and flood our bedroom with mucky fluids, but you can't have everything. "I love to make my home beautiful," she says. "And then get shagged rotten in it!"

Pussy hunt

My missus found a cat in our shed and made me call the owner (the number was on the collar) and go and drop it off.

ANITA, LEEDS

I told her the owner sounded like a little old lady, lying through my teeth. She sounded young and sexy and I wasn't disappointed when she opened the door. Her name was Anita and she was about 30 slim and attractive.

She didn't ask questions, so I didn't have to lie, but she did offer me a reward. I told her I didn't want her cash. "Then maybe I'll buy you a drink sometime?" she said. "If I was single… I told her."

That didn't put her off any. In fact she got this dirty glint in her eye. It set off something in me, and I said I'd settle for a snog. But we both knew it wouldn't stop there.

She led me through to the bedroom, saying we'd corrupt the cat if we shagged in front of it. Then I watched as she stripped off. We snogged each other's face off while I copped a good feel of her boobs. Then I felt my way down, until I was kneeling, level with her crotch. I took off her G-string, staring at her cute pussy for a few seconds, then started licking her slit. Soon she had one leg thrown over my shoulder, clinging onto me for balance as I ate her cunt.

CONTACT ME

It was a much easier job on the bed, laying her back and shoving her legs so far up and back her knees were up against her tits. I stuck my thumb in her cunt and slid my middle finger up her arsehole, then got licking at her clit, sending her into a frenzy. She was rocking back and forth, wriggling against my fingers, until I felt her cum around them. Then it was my turn.

I kept her as she was for a deep fuck, slipping my cock up her slow as I could manage, making the most of the pleasure. Then I just banged the arse off her, mashing my crotch against her snatch until I was flooding her pussy with spunk.

I couldn't hang around too long, but she wasn't letting me go anywhere yet. My finger up her arse had whetted that appetite – she rolled over on her belly, put her arse in the air then reached back, smearing the spunk and juices oozing from her snatch up over her crack and around her arsehole, using a couple of fingers to wet inside it too.

A few minutes of watching that and my cock was

Geek Cheek

The geek Kevin who lives upstairs was trembling like a human vibrator when I asked him to zip up my dress for a night out at the student union.

I took pity on him and told him to play with my tits. Maybe it was all the gaming he did, but the way he used his thumbs on my nipples just got me so fucking hot.

Kevin took so long over paying them attention, just rubbing his face between them and sucking and tweaking my nipples. It was doing it for me – almost. I was still dressed below the waist and squirmed my arse up against the bed, trying to work my gusset into my slit so it pulled against my clit and pussy.

After a while he started playing with himself, hand buried inside the baggy trousers he had on. "Let's see it," I moaned, and he turned out to have quite a nice cock on him. "The good thing about my tits," I said, "is that your cock is going to look great between them."

His love-eye was dribbling with pre-cum. He had it all over his hand and I helped him smear it on my cleavage. "I'll wank you and you play with my nipples again," I told him. He laid his cock hard and flat against my slippery skin, then as I kneaded my globes around his shaft like dough, he pulled on my teats.

It was probably evens who was most turned on, until he clapped his hands over mine and shoved my boobs really hard together.

He was humping in hard, his deep-red helmet popping in and out between them.

Then suddenly he let out a grunt and, a split second later, the cum started spurting out of his tip. It looked like it was happening in slow motion, but the first jet hit before I could grab my boobs and shove them up and forward. Then it just kept shooting out and splashing all over them, Kevin aiming at my nipples so there was a sticky white layer covering them.

He scooped up all the little stray splashes with his finger, feeding them to me, then he went down on my nipples, one at a time, eating his own

SHE SMEARED MY SPUNK OVER HER ARSE

twitching. I pumped into her cunt a couple more times, then slid upwards to her pink pucker. I knew she'd taken cock up there before – although her arse was tight it totally relaxed – and I was soon in up to my balls.

She twisted about on my bell-end, moaning loud as she started to frig her clit. I dropped a hand and felt her pussy was already pulsing, and she kept on cumming as I fucked her. Finally, I couldn't hold back any longer and I lost my load deep in her arse.

By the time I left, I had three missed calls from the missus. I told her the little old lady had got emotional.

jizz off them. "Perv!" I said, but he just gave me a grin. He enjoyed having me at his mercy – I asked him was he going to fuck me now, and he said not until he'd seen me make myself cum.

My dress came off and I just stood there, fingers down my knickers, frigging myself off. It wasn't long before I was cumming, then Kevin and I squeezed into his bed for a bit more fun.

He even managed to give me a few orgasms – when I could coax him away from my tits for a few minutes, that was!

Oktober-Breast

Visiting Munich for Oktoberfest last year with my boyfriend Spence, we spent the whole day boozing in a tent.

This lad of 19 was trying to chat me up, and although he was drunk I accepted when he asked me to dance. On the packed dance floor he took great delight in lifting my short dress so his mate could take photos of my arse.

I pretended to be shocked but I actually enjoyed the guys getting an eyeful of my arse. I nodded to Spence and led the young guy outside. We went to a secluded area and I told him I wanted him to fuck me.

I undid his trousers and pulled out his half-cocked dick. Spence stood by grinning as I fed Paul's thick, pliable cock into my mouth. I really enjoyed bending it all into my mouth to bite and tease it.

Then Paul's mate, the one with the camera (Sven), came along and offered me a stiff prick to suck on. I sucked both cocks for a while before Sven slid his cock right up my slippery cunt and I stroked my clit. Sven pulled my dress up over my head and I stood there naked as he fucked me.

As Sven forced his cock into me, Paul got stuck in and started sucking my tits. Sven said something I didn't understand, but it became clear he was going to spunk in my face as he pushed me down.

Sure enough I got a glorious face full of cum. I was busily slurping away at the cum around my mouth when Spence wandered over. He enjoys the sight of me fucking and sucking other guys.

All four of us went back into the tent and I had a wonderful time as my pussy was fondled by the three of them.

Emma, Kent.
